

How to Install UCF Apps

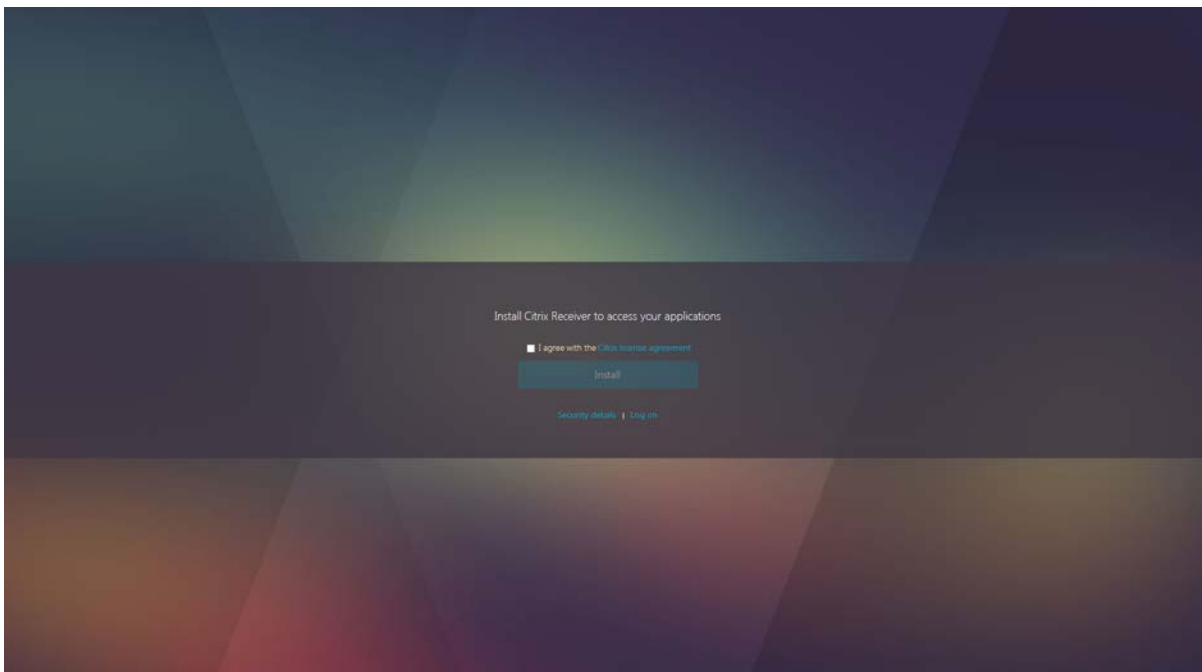

(Windows 10 IE)

Go to: <https://my.apps.ucf.edu/>

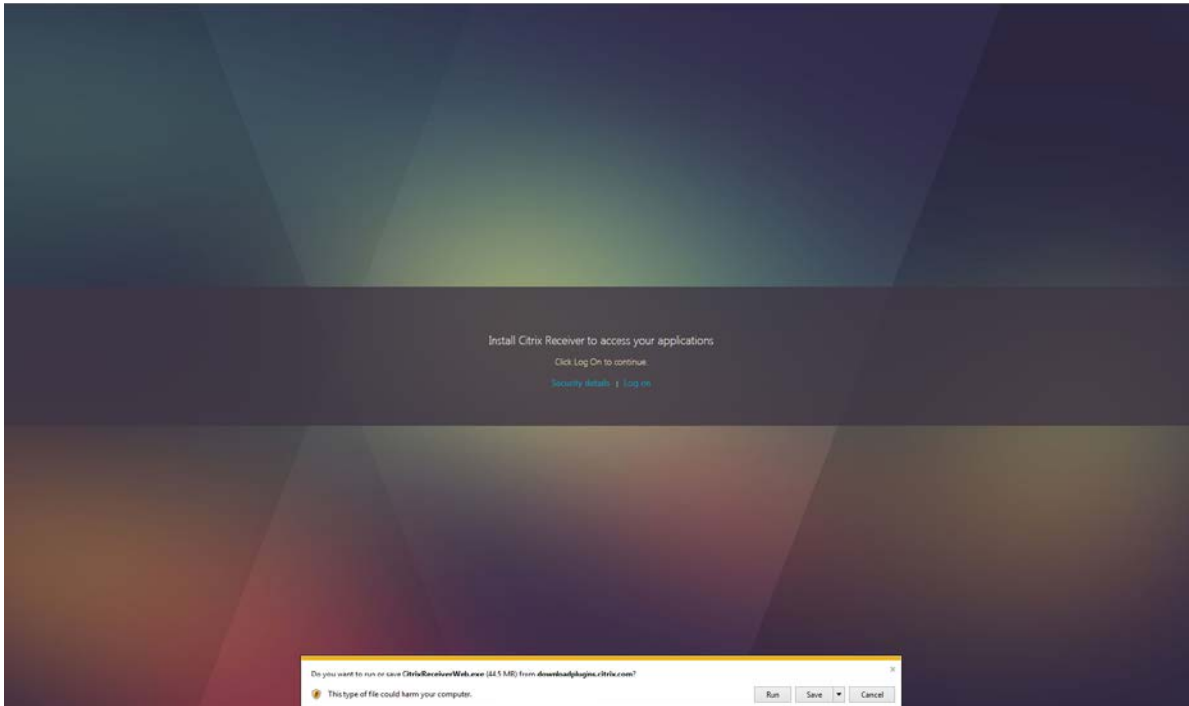

Login in with NID and NID Password

Check: I agree with the Citrix License Agreement and click install.

Click run when the new Dialog box opens:

Click start when the installation box appears.

Click "I accept the license agreement", then next. Click "enable single sign on", then Next. Click "I agree" or "no thanks", then install. Click finish when installation is complete.

Click the Apps icon at the top center of the page of the page.

UCF Apps FAVORITES APPS User Name

Add Favorites

Go to Apps, click on Details next to your choice and then select Add to Favorites.

Then click "All Apps" if it is not on that category already.

Click on "Details" of each app you would like to add to your dashboard. Then click "Add To Favorites"

The screenshot shows the top navigation bar of the UCF Apps interface. On the left is the 'UCF Apps' logo. In the center, there are two tabs: 'FAVORITES' and 'APPS', with 'APPS' being the active tab. On the right, there is a 'User Name' dropdown menu. Below the navigation bar, there is a back arrow on the left. The main content area displays the 'Excel 2013' app, which includes the Microsoft Office logo, the text 'Excel 2013' and 'Microsoft Office 2013', and two buttons: 'Open' and 'Add To Favorites'.

Click "Favorites" at the top, middle of the page and your apps are now saved to your dashboard. Click the app to open.

The screenshot shows the UCF Apps interface with the 'FAVORITES' tab selected. The top navigation bar is the same as in the previous screenshot. Below the navigation bar, there is a search bar labeled 'Search Favorites'. The main content area displays two app cards. The first card is for 'Excel 2013' and the second is for 'PowerPoint 2013'. Each card features the app's icon, the app name, and a 'Details' link.
